NEW

Telescopic ratchet 1/2"
516

High torques are often required in the industrial and commercial vehicle sector – and often where space is at a premium. The telescopic ratchet 516 with 1/2" drive provides the ideal solution. Robust materials and a 5-position adjustable shaft allow for high leverage forces – and always at the right length.
Code 13160000

NOK 1.377*
Extra Stesialpris EX. MVA.

The length can be adjusted conveniently and even one-handed using the **rocker switch** in **55 mm increments** (410 mm, 465 mm, 520 mm, 575 mm and 630 mm).

The sturdy ratchet has **36 teeth** and has been manufactured in accordance with **DIN 3122/ISO 3315**.

The **maintenance-free slide bearing** and stop protection ensure that the tool is quick and safe to operate and is particularly **durable**.

The **clockwise and counter-clockwise** change-over switches are slightly recessed. This avoids accidental switching in use.

VBW TOOLS – Designed and manufactured in Germany. Professional tools – since 1828.

Weighs approx. 40% less than conventional steel mesh cutters.

LightCUT® steel mesh cutter tool set MasterCUT mechanic's nippers 435LC/512

Lightweight at only 2,924 g thanks to the extremely sturdy aluminium tubes. High cutting performance with low force (cutting power up to 48 HRC hardness). Two-component handles provide a secure grip. Inductively hardened cutting edges ensure a long service life. The blade head is screwed on and is therefore interchangeable.

Code 87991435

NOK 3.597*

Extra Stesialpris EX. MVA.

The MasterCut nippers excel in low-load work, even when using thicker tie wires. It fixes and twists rebar in a single workflow. The particularly slim design is ideal for tying low-lying iron.

S-jaw pipe wrench set 952

3-piece Professional set consisting of 1", 1 1/2" and 2" pliers. Suitable for all standard applications in professional use.

WORKBENCH RANGE – This is how comfortable work can be. Our workbench with perfect working height and plenty of space for premium tools!

Workbench WB621

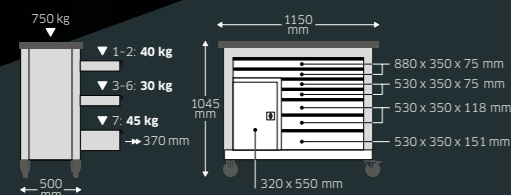

The unique layout with two XXL drawers, five further drawers, and a cabinet section, ensures maximum flexibility, making the WB621 the ideal work partner for tool storage for tradespeople and industry alike.

High-quality materials ensure the durability that is typical of STAHLWILLE. For example, the sturdy housing and drawers with their industrial powder coating. The drawers and cabinet section close at the same time. Includes a paper roll holder.

Code 85010621

NOK 23.689*

Extra Stesialpris EX. MVA.

The E-Kit consists of a 3-way plug with two USB ports, a magnetic bracket for mounting the socket anywhere on the workbench, and a cable holder. Available separately.

Code 90432728 | WB621 E-KIT

NOK 1.530*

Extra Stesialpris EX. MVA.

The cabinet section features an adjustable-height shelf (adjustable in 7 cm increments), two rubberised cable outlets, and a cable duct that can be unscrewed at the back.

Three-stage safety concept: Central locking with recessed lateral-mounted cylinder lock. Together with the hinged key, this protects against injuries and damage. The individual lock prevents unintentional opening when moving – the anti-tilt feature makes it impossible to pull out multiple drawers at the same time.
